The Resource person, spoke about the importance of communication skills and how the same helped him to build his career. The webinar was conducted to provide the students the insight of global exposure and understanding regarding the key concepts like Dedication, Self-confidence, Positive attitude, Discipline, Enthusiasm, Hard work and the importance of communication in every sphere of our life. Effective communication is an important life skill that enables the students to better understand and connect with the people around. He also shared that lack of effective communication inadvertently leads to conflict and frustration in both professional and personal relationships. He suggested the ways to increase self-confidence by doing meditation and participating in different activities which will help to remove the stage fear. The seminar was interesting and gave us all the opportunity to learn many things in regard to infusing creative thinking, Speaking English fluently and focusing on our future. Speaker spoke about honesty, hard work, courage and dedication that would lead us to heights. The resource person also highlights the four main goals of communication are 1. To inform 2. To request 3. To persuade and 4. To build relationships with others. The Resource person explained theoretical aspects with practical and real-time examples. The participants thoroughly enjoyed the Presentation, and in-depth Practical knowledge of Sri. **Satish Anand**, on the subject. The session ended with a question and answer where students asked various questions to the speaker and their queries were answered briefly. The program ended with vote of thanks.

REPORT

INTERATIONAL YOGA DAY

21 June, 2021 – 7.00 PM

Since 2015, the International Day of Yoga is being celebrated to mark the importance of Yoga as a practice to healthily motivate ones' physical and mental self. 21 June, being the longest day in the northern hemisphere facilitates the positive vibrations gush in through the person practicing Yoga.

B.M.S. College of Law, celebrated International Yoga Day by having a Yoga Session for Staff and Students. The program was convened via *Cisco Webex*. The Resources Person, Ms. Tanuja, Certified Yoga Trainer and Physical Instructor briefed the peers about the importance of Yoga, *asanas* such as *Surya Namaskara*, *Vrukshasana*, *Koormasana* were practiced during the session and the prominence of the same were discussed by the Resource person. The session ended with a meditation session along with a few specific breathing techniques like *brahmari*, *anunaasa* being taught and the peers were benefitted by the same.

The session began with the Resource Person giving the gist of the entire course and the topics that were covered in the 10 sessions. It was followed by the participants sharing their experience and their learning from the course and how it would be helpful for them in their near future.

A Quiz was conducted through the Google Form platform and students were given 45 minutes to answer the 25 questions carrying 2 marks each. The students had to submit the answers as soon as they completed the test.

The session was concluded by the Faculty Coordinator proposing the vote of thanks and Ms. Kruthika of IV semester B.A.LLB. formally proposed the vote of thanks to the resource person, the institution, the management and the participants.

The session came to an end at 7.30 P.M. and a feedback form link was shared with the participants to submit their feedback on the certificate course.

Report on Yoga Training Session

By :- Kshama Kulkarni

On the occasion of **International Yoga day**, BMS college of Law has organised a 4 day virtual yoga training session for its all teaching, non-teaching staff and for the students. The program was engaged by Kshama Kulkarni who is a certified Yoga Trainer from Morarji Desai Yoga Institute and also associated with Heartfulness organisation, Bengaluru. The program was organised from 1st July to 4th July 2020.

On first day the session began by focusing on how yoga is important to supplement education. Regular practice of yoga can help relieve stress, lose weight, improve immunity and maintain a healthy lifestyle. Yoga can prepare the students physically and mentally so that students can become healthier and more integrated member of the community and of the country.

Session was focused on the Asanas that can be easily practised on chair. Different yoga asana was practised to relax different body parts. She also Introduced different stretching yoga asana for different body parts to attainment of perfect equilibrium and harmony.

The second day session started with different stretching yoga asana and relaxing yoga asana to relax all body parts. Different pranayamas like Nadishodhana asana, Bhramari Pranayama, kapalbhati Pranayama were practised which are useful in removing negative thinking and toxins from body.

Third day the session started with the explanation as how it is necessary to incorporate yoga in daily life. starting with asanas to relax all body parts and stretching asanas, different breathing asanas like anuloma viloma pranayama, yogic breathing asana were practiced on the day.

Fourth day begin with asanas Sukhasana, Bhadrasana, Pranayams helpful for preparation, concentration, relaxation, self-reliance, especially important for students.

Session ended with explaining that how yoga is important for everyone to live a healthy life so that one can concentrate on the work, build strength, flexibility, confidence, and reduce stress in the body by activating the nervous system.

SPOKEN ENGLISH

Interventions are customized as per the need and competency of the learner.

These training programs zeros in on all the four skills, namely Listening, Speaking, Reading and Writing, besides Vocabulary and English Phonetics. Not only does the program raise the level of English Proficiency of the students but also it makes them comfortable in English Speaking Scenarios.

As regards the methods of Language teaching, we adopt Communicative Language Teaching (CLT) and Direct Method, which gives the students access to plenty of audio and video materials. Furthermore, it will provide a proper foundation for those candidates who would like to appear for a host of internationally standardized English Language tests.

This training will help improve the participant's grammar, reading, writing, vocabulary, pronunciation and spoken skills.

Spoken English is offered in three levels:

SPEAKING ENGLISH

Speaking English allows you to actually broaden your world, from job opportunities to the ability to relate to people from every country.

A course in spoken English may be either in the form of 'what to say' or in the form of 'how to say'. The former is usually focused on English conversation, the latter on pronunciation. The former aims to teach how to express communicative functions such as asking questions, making requests, getting things done or expressing greetings, farewell, apologies, regrets, thanks, etc and the latter aims at teaching the pronunciation of words, phrases and sentences.

Our classes combine the best of the two areas to ensure that the participant learns what to say with how to say.

We address the learners who know the structure of English but communicate effectively, especially while speaking. The aim is to improve the colloquial usage and pronunciation so that they may be able to communicate somewhat fluently, intelligibly and optimally.

Spoken English - Course Inclusion - Recorded classes, presentations, worksheets

Outcome - Speak with confidence, speak with skill, speak with authority, expand your vocabulary

Duration: 20 hours

Surya Namaskar is very much idyllic for very busy people who are juggling work, family and fitness program. Young and old can practice this yoga for many health benefits as well as for ensuring great well-being.

1- Good for Weight Management

Yes, most women want to lose weight. It is a very good news that there's an inexpensive way to do that! You can definitely lose extra calories simply by stretching the abdominal muscles. It can help regulate the hormonal secretions in the thyroid gland which is responsible for weight. Easy childbirth, increase of breastmilk production, zero constipation, healthy skin glow, ageless face and regular menstrual cycles are possible with the help of Surya Namaskar yoga sequence. It is indeed beneficial for women. It can help literally shed fat in areas such as hips, thighs, abdomen, chin and neck.

2- Cognitive Skills Booster

Sun salutations are also great for kids in order to improve concentration and calm the mind. It can help revitalize the nervous systems which consist of brain and spinal cord.

3- Balance of your Dosha

The Salute to the Sun can help balance the three doshas Pita, Kapha and Vata. These constitutions may go out of balance due to varying factors. The weather, food, day-to-day activities, stress management at work and hours of sleep can all affect the dosha. However, with regular practice of Surya Namaskar, you can actually keep your dosha in balance.

4- Good Maintenance of Over-all Health

Surya Namaskar is beneficial for the lungs and can help decrease any chances of getting tuberculosis. It can help improve the blood circulations so as to prevent blood pressure issues and palpitation. Moreover, it can correct any problems in the functioning of different glands. Believe it or not but it can increase your longevity.

Enjoy your practice of Surya Namaskar. Of course, it is important to do some gentle warm-ups before practicing. Perform your sun salutations at the East direction in the morning whereas West direction if you are executing it in the evening.

Keep some sense of gratitude and smile on your face while doing your Salute to the Sun yoga sequences. Most importantly, it is vital to remember that you need to have grace, perform it at a slow pace and do it with awareness on your breath. Your breathing should always be natural.

17. Yoga and Stress

18.. Stress is emerging as a contributor to visceral fat, which lines the abdominal organs and leads to a thick waistline as well as chronic conditions such as heart disease, type 2 diabetes and even breast cancer. Yoga is prized for its stress-relieving ability, and by improving your state of mind, it may also reduce your waistline.

Other Benefits

19. yoga burns a few extra calories and alleviates stress -- what else can it do for your health? As it turns out, plenty. Contorting into those complex poses increases your range of motion and improves balance, both of which reduce your risk of injury. In addition, yoga can help you maintain healthy blood pressure and lower your resting heart rate, combating cardiovascular disease. With a focus on mindfulness, yoga may even help you make better lifestyle decisions, further contributing to weight loss.

Mudra means "seal" or "closure" in Sanskrit. We use these gestures mostly in meditation or in pranayama practice to direct the flow of energy within the body by using the hands.

Different areas of the hands are connected with areas in the body and the brain. So when we place our hands in yoga mudras, we stimulate different areas of the brain and create a specific energy circuit in the body. By doing this, we help generate a specific state of mind.

The Five Elements Within Us

The universe is made of five elements, and each of the five fingers is represented by one of these elements. The thumb represents the fire, as well as universal consciousness. The index finger represents air and individual consciousness.

The middle finger represents *akasha*, or connection. The ring finger represents earth, and the little finger the element of water.

When these five elements are not in balance, we can experience disease in the body. Mudras are one way of creating a balance between all of these elements within us. Read on and attune yourself with some of these common mudras.

This is perhaps the most used mudra in yoga and is also known as the chin mudra. To do this, bring the tips of the thumb and index finger together, and keep the other three fingers together, lightly stretched. This symbolizes the unity of fire and air as well as the unity of universal and individual consciousness.

The Gyana mudra increases concentration, creativity, and is a gesture of knowledge. Keep your palms facing upwards when feeling receptive or rest your palm on your leg when you wish to feel more grounded.

2. Shuni Mudra

Credit: Omsica/Mind Valley

Bring the tip of the middle finger and thumb together, uniting the elements of fire and connection. This mudra symbolizes patience and discipline, and helps us generate a feeling of stability. Use this mudra when you feel you need additional strength to follow through with tasks.

3. Surya Ravi Mudra

Unite the tip of the ring finger and the thumb, and you bring together the elements of fire and earth. This mudra represents energy and health, and it provides us with a feeling of balance. It can also help with bringing positive changes into our lives.

4. Buddhi Mudra

By touching the tips of the little finger and thumb together, you are enhancing intuitive communication. The elements of fire and water are brought together, and this symbolizes communication and openness. It can also help strengthen your intuitive knowledge.

Report on Soft Skills/ Language & Communication Skills

In today's world, the role of effective Communication Skills cannot be undermined. For Students, especially Law Students, Communication Skills, in both forms; oral and written becomes extremely critical to their academic or professional excellence; as they need to prove effective communication skills to a campus recruiter or an employer or to their clients, in future.

Ms. Rema Krishnaswamy, from Acharya Education Services is an experienced trainer using innovative teaching methodologies allied with rich and varied learning resources to enable the students communicate both effectively and confidently.

In order to impart sound communicative skills among students, B.M. S College of Law conducted Certificate Course on 'Communicative English' held from 2nd February 2017 to 2nd June 2017 for the students of I Semester B.A & B.Com LL.B Students.

The Course was attended by around 180 students.

Report on Soft Skills/ Language & Communication Skills

In today's world, the role of effective Communication Skills cannot be undermined. For Students, especially Law Students, Communication Skills, in both forms; oral and written becomes extremely critical to their academic or professional excellence; as they need to prove effective communication skills to a campus recruiter or an employer or to their clients, in future.

Ms. Rema Krishnaswamy, from Acharya Education Services is an experienced trainer using innovative teaching methodologies allied with rich and varied learning resources to enable the students communicate both effectively and confidently.

In order to impart sound communicative skills among students, B.M. S College of Law conducted Certificate Course on 'Communicative English' held from 5th August 2019 to 5th December 2019 for the students of I Semester B.A & B.Com LL.B Students.

The Course was attended by around 180 students.
