I SEM, B.A. LL.B.,

As a commerce student, I was confused about what I should pursue for my future. At that time, I came across BMSCL, a legacy-held Institution for its delivery of quality education. BMSCL is the best and most dynamic college for all the students. I have not regretted joining this esteemed institution which has helped me raise my confidence and self-trust through the institution's teaching and non-teaching staff. I thank the Principal and my dear fellow mates for being there with me on my journey.

Ms. VARUNI V KASHYAP
I SEM, B.A. LL.B.,

My search ended at BMSCL. I am delighted to pen the testimonial as the institution has made me a responsible student in a short period. Hailing from the science stream, I was anxious to take up the books and study, and in this circumstance, lecturers helped me how to figure out to make notes. College opens the door to a wide range of opportunities like Debate, Seminars, Awareness programmes and Moot Court. At every moment, make us realize our duties as students to become efficient Lawyers and serve society. For me, BMSCL is not just a place to get an LL.B. degree but an institution with multidimensional opportunities and guidance. We are definitely in a new school of fortunes, nourishing our personality and talent apart from our curriculum to succeed in tomorrow's competitive world. It stands stunning big in the heart of the city with an excellent eco-friendly campus, infrastructure with all the facilities that a student need, be it sports or library, canteen or smart classrooms, hostel facilities or amphitheatre.

Ms. H S SHARADHI
I SEM, B.COM. LL.B.,

It is popularly said, "An investment in knowledge pays the best interest"; and B.M.S. College of Law is nothing less than a perfect place for such an investment. The institution does go above and beyond its ways to not just secure its students in academic growth but also to cultivate in them a holistic approach in all their endeavors. With just the little amount of time I have been acquainted with the college, I have been pleasantly taken aback by; the engaging, interactive and interesting classes, be it offline or online; the profound knowledge and experience the professors possess; the institution's consistent interest equally on academia and co-curricular activities; an extensive library for the maximum benefit and last but not least a very pragmatic approach in imparting legal knowledge. I am glad to be a small part of such a huge institution and I am excitedly looking forward to all my future endeavors in the college.

Ms. MEGHANA N
I SEM, LL.B.,

B.M.S. College of Law, according to my description, is a safe and extraordinary space for students from diverse backgrounds, be it freshly graduated or working professionals. The college provides an excellent environment for everybody to learn and be their best selves. Personally, being from a science background, I got accustomed to the teaching and the way the system works in a very short period. For this, I am grateful for my lecturers, who are incredibly supportive and approachable at any given time. The institution provides numerous opportunities for the students to participate in extra-curricular activities like Debates, Moot Court Competitions, Seminars, Internships etc., to shape the skills essential for us as budding Lawyers.

The infrastructure of the college is adequate by all means, and for me, the best part is the library, as it provides a variety and vast collection of sources. This, in my opinion, is what plays an essential role in enhancing our knowledge. An individual who knows the laws of his land is said to be more powerful than the one who does not, and I can say without a doubt that BMSCL is helping us; the students acquire that power in the most effective way possible. I am very excited to continue my journey and explore the boundless world of law in this prestigious institution that excels in all spheres.

Sri. KRISHNA KASHYAP

Justice. S.N. Sathyanarayana

Former Judge, High Court of Karnataka

I am an alumnus of this college. I did my LL.B. between 1978 and 1981. The college has continued to be a premier institute of law. The best jurists and stalwarts in the legal profession have taught different subjects in this college.

Sri. Ravi Verma Kumar

Former Advocate General,
Senior Advocate, High Court of Karnataka

I was a student of this college between 1972 and 1975. I did my LL.B. here when Prof. V. Krishnamurthy was the Principal. Sri. Y. Ramachandra, former Mayor of Bengaluru, was the Chairman of the college. He used to visit the college daily to ensure smooth administration, spend time with the students, and motivate them to become lawyers. He assured that the library was open throughout the day for the benefit of students. Prof. M D Nanjunda Swamy, L. G. Havanur, Prof. C.B. Motaiah, Prof. B. Venkatakrishnappa, Prof. H. R. Venkataramaiah, Prof. W. K. Joshi and Prof. A. V. Srinivas were our teachers. With such stalwarts as our teachers, we had no choice but to be good lawyers. Therefore, I owe my professional career entirely to B.M.S. College of Law. I am sure even now, the faculty is equally good and inspires the modern-day youth to take up the legal profession in a big way.

Sri. H.S. Dwarakanath

Advocate

I have a special affection and regard for B.M.S. College of Law because of the confidence that the college has reposed in its students. In 1973, when I was pursuing my LL.B. here, I couldn't pay the fees, and I had not submitted my exam application. Noticing this, management asked me why and I said I don't have enough money to pay the fees. The management was so generous that it permitted me to pay only the examination fees exempting tuition fees. I cannot imagine any other college which would show such generosity towards its students. I am ever grateful to the Management and the College for this. Thus, I feel BMSCL has offered me the best opportunity to develop community interaction and development skills.
