STUDENT TESTIMONIALS

Ms. Varshini Janardhana

I Sem, B.A. LL.B.,

This illustrious institution is the nurturing ground for the students' extensive development. A student Induction Programme 'Deeksha Gamaya' organised by the college for over a period of three weeks which included Soft Skills sessions, Introduction to Law, Paralegal Services, Life Skills sessions, ice-breaking activities, and cultural and sports events, and has helped the students becoming familiar with the course and subjects. The college provides the best facilities to all its students and top-notch training for competitions and other events. The professors are accessible, proficient, and patient. The library is the most amazing, providing the students with a perfect atmosphere for studying along with vast collections of books. My experience at college has been great, and I am super thrilled for this untiring journey, which will help me imbibe the knowledge and skill sets required to ace this profession.

Sri. Abhay Aaditya

I Sem, B.Com. LL.B.,

B.M.S. College of Law is an eminent institution in the field of law, with a lush green campus which makes the atmosphere very pleasant and student friendly. The management led by the principal conducts the college proceedings in an organized manner and encourages the students to actively participate in the academic as well as the extra curricular activities. One of the most impeccable attraction in the college is the infrastructure, amongst which my favourite is the tranquil set up of the library with enormous resources and academic content. The professors are very approachable and kind, due to which, the process of learning is done by the students without any hassle. The concepts are broken down and explained in a simpler manner by the professors to ensure that all the students understand it without any difficulty. The support staff are polite towards the students.

Overall, the institution has established a positive environment to help the students reach greater heights.

Ms. Spoorthi M

I Sem, LL.B.,

Soon after I graduated with B. Com Hons from CHRIST University, as a student pursuing Company Secretary and a civil services aspirant, I had a keen urge to pursue law. BMS College of Law gave "Wings to my Dreams". A college which is a complete package of academics, hands-on experience, co-curriculars, brilliant industry exposure, contributes to the holistic development of a student. Presence of esteemed professional stalwarts in the college's management is an inspirational factor to us because it's a very wonderful feeling to learn from the ones who we have always looked up to! Very accessible and friendly teaching and non-teaching staff who are always striving for the betterment of student community and their progress are a sign of commitment and professionalism that BMS holds. It feels immensely amazing to be a part of this elite institution which has a legacy of 60 years and has been diligently contributing to the professional fraternity in an impeccable way.

Looking forward to 3 beautiful years of learning, fun and whole time experiences.

ALUMNI CORNER

Justice. S.N. Sathyanarayana

Former Judge, High Court of Karnataka

I am an alumnus of this college. I did my LL.B. between 1978 and 1981. The college has continued to be a premier institute of law. The best jurists and stalwarts in the legal profession have taught different subjects in this college.

Sri. Ravi Verma Kumar

**Former Advocate General,
Senior Advocate, High Court of Karnataka**

I was a student of this college between 1972 and 1975. I did my LL.B. here when Prof. V. Krishnamurthy was the Principal. Sri. Y. Ramachandra, former Mayor of Bengaluru, was the Chairman of the college. He used to visit the college daily to ensure smooth administration, spend time with the students, and motivate them to become lawyers. He assured that the library was open throughout the day for the benefit of students. Prof. M D Nanjunda Swamy, L. G. Havanur, Prof. C.B. Motaiah, Prof. B. Venkatakrisnappa, Prof. H. R. Venkataramaiah, Prof. W. K. Joshi and Prof. A. V. Srinivas were our teachers. With such stalwarts as our teachers, we had no choice but to be good lawyers. Therefore, I owe my professional career entirely to B.M.S. College of Law. I am sure even now, the faculty is equally good and inspires the modern-day youth to take up the legal profession in a big way.

Sri. H.S. Dwarakanath

Advocate

I have a special affection and regard for B.M.S. College of Law because of the confidence that the college has reposed in its students. In 1973, when I was pursuing my LL.B. here, I couldn't pay the fees, and I had not submitted my exam application. Noticing this, management asked me why and I said I don't have enough money to pay the fees. The management was so generous that it permitted me to pay only the examination fees exempting tuition fees. I cannot imagine any other college which would show such generosity towards its students. I am ever grateful to the Management and the College for this. Thus, I feel BMSCL has offered me the best opportunity to develop community interaction and development skills.
